

Las Vegas Wizard World Welcomes E.A. Channon, Author of *Flesh of the Blood*, to Meet Fans

*1888 Press Release - E.A. Channon, the author of *Flesh of the Blood*, will appear at the Las Vegas Wizard World Convention April 24-26, meeting with fans and sharing his dramatic story filled with humans, dwarves, magicians and elves all coming together to save a lost girl.*

Las Vegas - Readers rarely have the opportunity to meet and chat with their favorite authors, especially ones who are currently working on a series of books. Fans of E.A. Channon's *Flesh of the Blood* will have that unique opportunity when the author visits the Las Vegas Wizard World from April 24 to April 26. While he is there to promote his new book and share his excitement for the second book in the series, visitors will be able to meet the author in person, have their copies personally signed, and learn more about what to expect in the second book.

"I'm so excited to meet fans at the Wizard World Convention in Las Vegas," said Channon. "It is always an honor to talk to readers in person and share with them what I have planned for the future of the book series and how I am hoping it will develop."

E.A. Channon will appear at the Las Vegas Wizard World Convention, which will be hosted at the Las Vegas Convention Center, located at 3150 Paradise Rd., Las Vegas, Nevada 89109. The Wizard World Conventions are held at all different times of the year in cities throughout the United States, allowing fans to interact with some of their favorite characters and authors. In addition to the opportunity to meet with E.A. Channon, there will be appearances by WWE star Roman Reigns, exciting events, guest signings of books and art, and a wide variety of collectibles and comics for sale.

Visitors who want to learn more about *Flesh of the Blood* are encouraged to stop at the author's booth. There, they will have an opportunity to visit with Channon and hear more about the plot of the story. *Flesh of the Blood* features groups of humans, dwarves, magicians and elves that cooperate in their efforts to rescue the daughter of the king from evil. Developed with a love of magic and mystery, this story takes the best of old English history and intricate military battles and combines them to create a spellbinding, page-turning read.

Flesh of the Blood can be purchased through Amazon and Barnes and Noble or through the author's website at <http://www.eachannon.com>.

ABOUT THE AUTHOR

E.A. Channon enriches and enhances *Flesh of the Blood* with his aristocratic English upbringing and heritage that can be traced to the time of kings, knights and battles for the honor of fair maidens. E.A.'s grandfather was also a great influence, recounting old stories and guiding his musical abilities towards the bagpipes.

Having served in both the British and American militaries, E.A. is able to bring great realism to the weaponry and battle scenes in his book.

E.A. Channon is also the author of Bagpiper-Whatever Blows Up Your Kilt, his hilarious autobiography of an extraordinary life. The popularity of his book and his global reputation as a bagpiper have also made him a much-in-demand speaker for cruises, group programs and educational audiences.

E.A. Channon's unique charm, humor and love of a rollicking good story permeate the pages of Flesh of the Blood and are sure to make it an instant classic and generate much demand for the other books in the series.
